FULLY RENOVATED ~TREED LOT ~
SEPARATE ENTRANCE - Drive up through
the treed drive to this spectacular home that
has been fully renovated on the top two floors.
Modern. Clean. Bright. Gorgeous. Just a few
of the words that describe this home, but when
it comes to feel, this gem is hard to match. I
could go through the list of renovations but the
list is lengthy. Note there is a new boiler, air
conditioning and siding, but I think the pictures
do a great job of telling that story. The lot is a
dream. Close to Sherwood Park, fully treed
with spectacular views from every room.
Especially gorgeous is the views off the deck
in the owners suite. Inside the kitchen and
living area are bright and modern, and the
sunken living room brings it all together
beautifully. The massive heated garage fits the
largest trucks, rare in a new home. Then there
is the separate entrance if you should decide
to add a nanny suite. Gems such as this
seldom come along, so make sure you hurry!

Built in 1978
